Enroll Online at www.starzprogram.com

STARZ Program shining in schools for over 10 years!

*The **STARZ co-ed Sports Program** introduces students to the fundamentals, terminology, and rules of the game. During our **skill-based, non-competitive, sports** program, children of all skill levels will improve their individual abilities while developing team work and spirit. This program is perfect for children that want to explore a variety of sports while **gaining skills, building athletic ability, and having fun!**

\$104 for 8-week program

(\$30 enrollment fee included in cost of program)
